How to complete your registration for the Spanish placement test
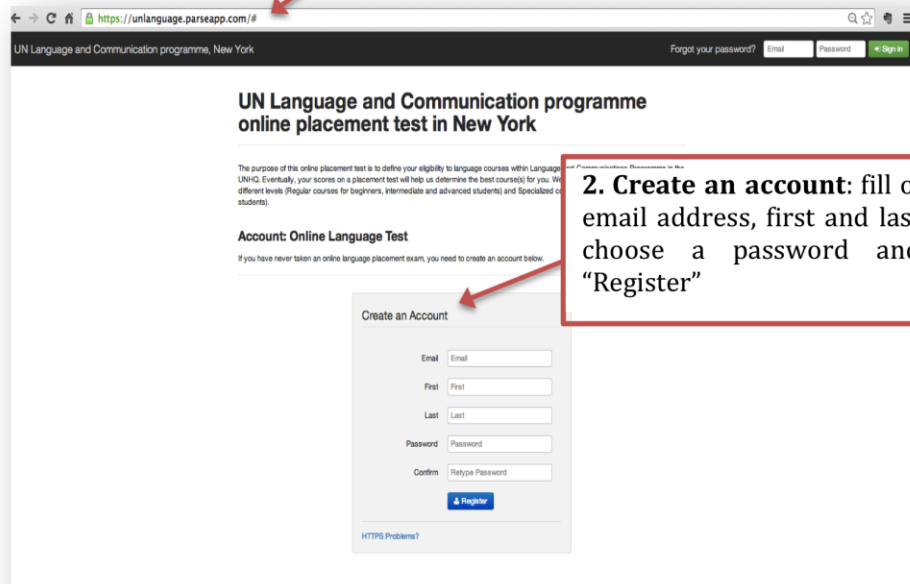

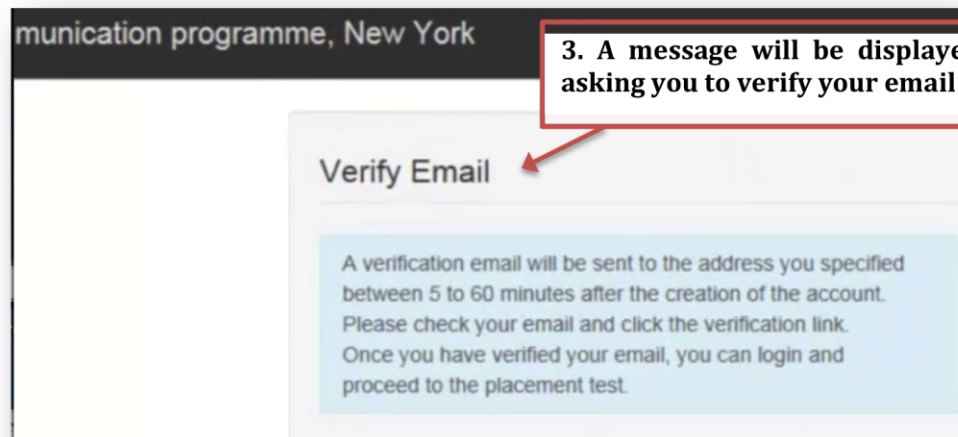

After enrolling in Inspira, please follow the next steps:
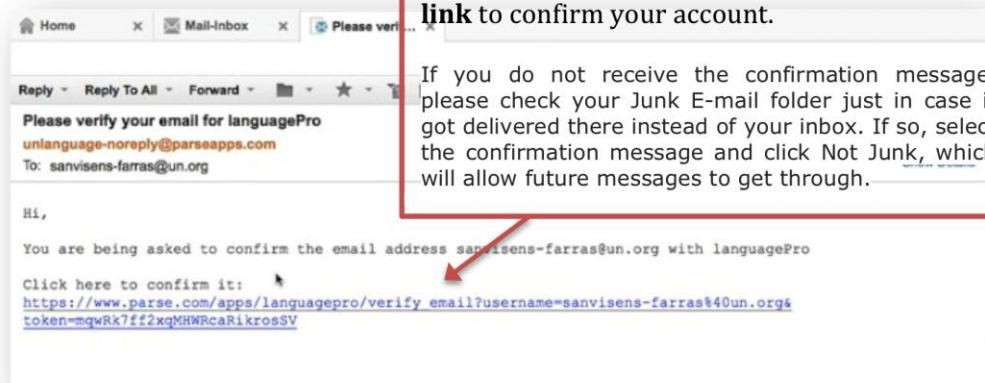

1. Go to https://unlanguage.parseapp.com

2. Create an account: fill out your email address, first and last name, choose a password and click "Register"

3. A message will be displayed asking you to verify your email

4. You will be sent a **verification email (it can take up to 24h),** please **click the verification link** to confirm your account.

If you do not receive the confirmation message, please check your Junk E-mail folder just in case it got delivered there instead of your inbox. If so, select the confirmation message and click Not Junk, which will allow future messages to get through.

UN Language and Communication programme
online placement test in New York

The purpose of this online placement test is to define your eligibility to language courses within Language and Communications Programme in the UNHQ. Eventually, your scores on a placement test will help us determine the best course(s) for you. We offer different types of courses at different levels (Regular courses for beginners, intermediate and advanced students) and Specialized courses (for intermediate and advanced

IMPORTANT:

Before starting your online test **make sure that you can allocate 90 minutes in a row to complete it**. Keep into account that you will not be able to go back or redo the test again once you have started it.

We kindly ask you **to collect your results by signing in this same platform** https://unlanguage.parseapp.com with the same account you created to do the online test. **Please allow a few days for the correction of your test and for your results to appear.**
